## Book Publishing/Print-on-Demand & Distribution Services

Amazon Kindle Direct Publishing: <https://www.kdp.amazon.com>

IngramSpark: <https://www.ingramspark.com/>

Draft2Digital: <https://www.draft2digital.com>

Barnes and Noble Press: <https://press.barnesandnoble.com/>

Lulu: <https://www.lulu.com/>

### ***Vanity Press-type services***

*(I do not recommend these services as an indie because you end up paying a lot up front and don't have much control over the process. I think it's better, since you're paying for everything yourself, to get each individual service separately and only pay for what you need and approve).*
